re: Industrial Area IM/IRA

Dear Mr. Slaten:

EPA has received your November 21, 1994 submittal of the Final Responsiveness Summary and Decision Document for the Industrial Area IM/IRA. We concur that this submittal successfully fulfills the Interagency Agreement milestone, and we appreciate your efforts in meeting this ambitious schedule.

We note that considerable initiative was required to keep this project moving forward, despite numerous obstacles. Both DOE and EG&G cooperated very effectively with the agencies in scoping and preparation of the Decision Document. Particular credit is due to Ms. Jen Pepe (formerly) of DOE and Mr. Mark Buddy of EG&G for their work in ensuring the success of this effort.

We look forward to working with you on the prompt and complete implementation of the IM/IRA. We feel strongly it can provide both cost savings and enhanced environmental protection. If you have questions or would like to discuss the progress of this effort, please contact Bill Fraser (EPA) at 294-1081.

Sincerely,

Martin Hestmark, EPA
